Introduction:

This booklet is designed to complement the Residents' Guide, copies of which are available in Ferrybank Respite House. The document provides information on the governance and management of residential respite operated by WIDA and will also meet the requirements set out in the Health Act 2007 (Care and Support of Residents in Designated Centres for Persons (Children and Adults) with Disabilities) Regulations 2013.

Aims:

The aim of the adult respite service offered by WIDA in Summerville Respite House is to provide a residential respite service wherein residents are supported to access their local community, to develop their independence and enjoy a holiday with their peers.

Objectives:

The objective of the service is to provide a home from home environment in accordance with evidence based best practise, which reflects the service users' lifestyle.

WIDA applies a person centred approach and promotes equal opportunities, enabling the service user to become an active, valued member of the community.

Ethos:

WIDA is committed to working to ensure our service users are always at the centre of the service provided in Summerville Respite House and are fully involved in decisions affecting all aspects of their life, so that they are enabled to lead as independent and satisfying life as possible.

Mission Statement:

Our mission is to provide a service which supports and empowers the people who avail of our service to live a full and dignified life.

We aim to promote independence, dignity & respect and provide opportunities to participate in a wide range of activities that are based upon the service users' own choice that enhance their quality of life.

To this end, we are committed to providing quality services that meet the International Quality Standard ISO 9001:2008 and best practice standards, and to improving continuously these services.

Services and Facilities Provided in the Designated Centre

<p>a) This centre will cater for the following care needs</p>	<p>Summerville Respite House is designed to cater for adults with an intellectual disability, who have low support care needs- including some support with activities of daily living and intimate care.</p> <p>Residents avail of respite breaks in groups of up to five people plus 1 emergency place. Adult residents are supported to attend work and recreational activities and to engage actively in their community.</p>
<p>b) W.I.D.A. will provide the following facilities to meet those needs.</p>	<p>The facility is a large seven bedroom house based in the community in a popular area of Waterford City, this house has been recently refurbished to become a purpose designed facility for use by persons with an Intellectual Disability.</p>
<p>c) W.I.D.A. will provide the following services to meet those needs.</p>	<p>Summerville Respite House is available 26 weeks per year.</p> <p>Low support adults are accommodated for 26 weeks of the year- these residents are offered 14 nights per year plus further breaks as available. WIDA provide one care staff on a sleepover shift, with waking cover until 11 p.m. and from 7a.m. Staff sleep on the premises and are available within the house during the night, if required.</p> <p>Signage is provided to advise residents how to contact staff during the night.</p> <p>The charge for Summerville Respite is €15 per night (comprising €12.50 accommodation charge and €2.50 transport charge).</p> <p>Staff care for and support residents in line with their individual care plans. The care plans and PCPs are completed based on information provided to WIDA by residents, their families and the multi-disciplinary team (where appropriate). These plans assist</p>

	<p>WIDA staff in meeting the individuals assessed needs and wishes of each resident. Weekly review meetings are held by the P.I.C. and Social Worker to identify any additional needs and to update care plans and risk assessments as required.</p> <p>During their respite stay, transport is provided by WIDA to and from day service and to recreational activities as planned in the service user meetings. WIDA also provide packed lunches for day service and a laundry service for residents during their stay.</p> <p>WIDA provide meals and snacks throughout a resident's stay and all special dietary requirements are catered for. If resident wishes to provide their own food, this is facilitated.</p> <p>WIDA staff support service users who have specific and identified programmes eg behavioural support, communication, toileting, social skills etc.</p>
<p>d) Admissions</p>	<p>WIDA's procedure on admissions is detailed in <i>SD-01 Admissions and Discharges</i> (Appendix 2).</p> <p>A referral may be made to WIDA respite services by an appropriate professional accompanied by reports from relevant professionals.</p> <p>Applicants are provided with necessary forms to complete and invited to an admissions meeting with their parent/guardian or representative of their choosing with the Person in Charge and the WIDA Social Worker.</p> <p>All information required in order to complete the Care Plan and PCP is gathered at this admissions meeting and any outstanding reports are sought from the</p>

	<p>MDT.</p> <p>Arrangements will be made by the Person in Charge for the applicant to have an introductory visit to the service, in line with their own wishes and subject to the availability of respite breaks. Once the applicant has been successfully introduced to the service, he/she will be included in the list to receive planned respite breaks in the forthcoming calendar year.</p> <p>Service Users are encouraged to identify friends that they would like to enjoy their respite break with. Every effort is made to accommodate these requests.</p> <p>Families can request specific dates in advance of groups being planned.</p> <p>Groups are planned being cognisant of such requests and with due consideration to age, ability and support needs.</p> <p>Emergency respite may also be offered, with due consideration being given to the needs of the applicant and the needs of other service users. A request for emergency respite is considered by the Person in Charge and relevant professionals/agencies and the Health Service Executive. Where an emergency placement is required consideration is given to the level of staff support and facilities/equipment required.</p>
